SPONSORSHIP OPPORTUNITIES

CHILDREN'S SCHOLARSHIP FUND OF OMAHA

Help us "Fill the Bus"!

The Mission

Children's Scholarship Fund of Omaha (CSF) believes that all families, regardless of income should be able to choose the best educational setting for their children. The mission of CSF is to provide partial-tuition scholarships so children from low-income families can access the private or parochial K-8 education of their choice.

The Need

Your support of CSF scholarships helps "level the playing field" for low-income children. **Unfortunately, the impact of COVID-19 has resulted in greater financial strain for both our families and our partner schools.** More than ever, your continued support of Children's Scholarship Fund is critical for these schools and children who are counting on you. You can help "fill the bus" with kids who want to go back to school by becoming a CHANCE sponsor!

Our Solution

CSF has a network of 75 different private schools across the Omaha Metro and northeast Nebraska. This gives families more choices and allows educational mobility for low-income families. Families apply directly to CSF and if a family decides to switch private schools (within the counties we serve), the scholarship will follow the student.

CSF awards scholarships solely on the basis of confirmed financial need, following guidelines similar to the National School Lunch Program. Highest priority is given to students qualifying for free lunch. Once a student receives a scholarship they will continue to do so until graduation from 8th grade (provided they continue meeting our requirements and there is adequate funding) and their siblings will receive the same opportunity.
